

Los Altos Rotary Club

**American
Red Cross**

Palo Alto Area Chapter

Disasters strike without warning.

When a disaster like a major earthquake strikes, all of us must be prepared to take care of ourselves, our families and our businesses for anywhere from three to 14 days until help arrives.

Are you prepared?

Taking preparatory action can provide reassurance and a sense of control.

To help you, the American Red Cross will present "Preparing for the Unexpected" free of charge for members of the Los Altos Rotary Club and their families, neighbors and friends. You will be provided with essential information on how you can prepare for any type of disaster, from earthquakes to storms, with additional information on preparing your evacuation plan.

Date: Sunday, June 3, 2007

Time: 10:00– 11:30 a.m.

Where: Shoup Park Garden House

400 University Avenue, Los Altos

RSVP: (650) 688-0427 (please specify number of adults, number and ages of children)

Admission: FREE

To review preparedness actions you can take and emergency products available for purchase, visit the Palo Alto Area Red Cross web site at www.paarc.org .

RSVP to the Red Cross at (650) 688-0427
