This event will host **a children and women fashion show** featuring designers from France and Belgium. The fashion show will take place twice during the day at 11:30 a.m. and 2:00 p.m.

Our spring event in Saratoga, the biggest to date, is a great way to discover original French products, with vendors and artists displaying a wide array of items. Take this opportunity to practice your French, meet with friends, do some shopping and enjoy lunch or snack outside listening to live music by Simon Dray and the French Connection Trio. We will be happy to welcome you.
