

Go green

with  ennovationz

Everyone Saves Energy at Home. The Los Altos Rotary Can Win Up To \$10,000.

Save \$286 on energy

Most Bay Area homes can save hundreds of dollars per year on their PG&E bills, without investing more than \$35 on energy efficiency.

How much can you save?

Here's how

Greenathon

Ennovationz offers FREE help to go green at home, plus the chance to win individual and group prizes.

Contest runs until Sept. 3, 2010

How it works: Participating households sign up for a free account on Ennovationz.com. Everyone is eligible for a free telephone coaching session with an Ennovationz energy advocate, to find their best low-cost and no-cost energy conservation options, plus referrals to vetted contractors for bigger improvements.

Measuring success: Join your group. You can even add your PG&E bills with our secure, automated tools, to add your results to group and watch savings over time.

Prizes: an LCD TV and 2 iPads for individual members, and up to a **\$10,000** charitable donation for the Los Altos Rotary!

Join now at www.ennovationz.com

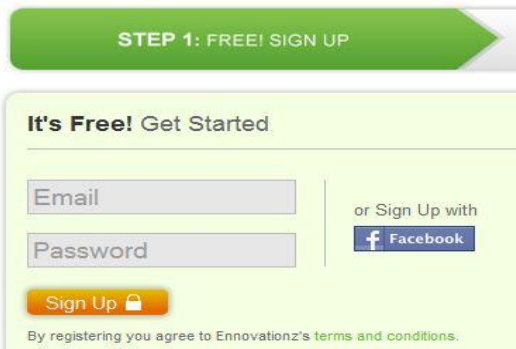

How to Participate in the Greenathon

Start here

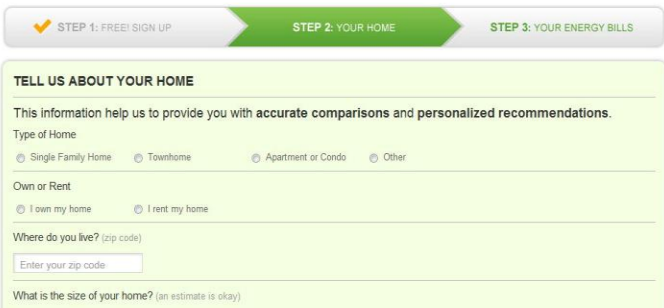

Go to www.ennovationz.com and click on the big orange "Sign Up" button

1 Enter email and choose password

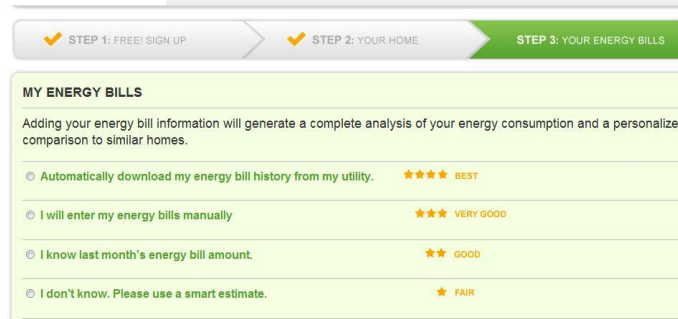

2 Answer some questions about your home

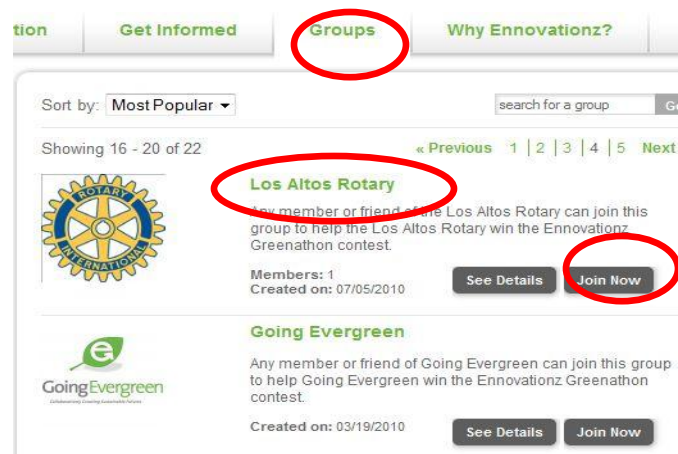

3 Your energy bills: choose your option

1. Easiest option: let us estimate
2. Best option: use our secure tools to remotely access your online account (with your PG&E user name and password)

4 Go to the GROUPS tab and search or scroll through to find Los Altos Rotary, then click "Join Now" next to this group. (Note: your membership in the group is always anonymous)

You're done! Thank you for helping the Los Altos Rotary win the Greenathon.

Now please ask a friend to join!
