

Hello Everyone:

The month of January has certainly started off with a bang. First, we had the privilege of RI President Ray visiting with us at our Roundup. What a great time we had, with fellowship, great food, dancing, and receiving President Ray's message of Cowboy Logic. Again, I would like to thank Bonnie Best for her long hours of work as our registrar, Ginger McDonald for coordinating matters with the Saddle Rack and Danny Thomas rentals, Susan and Tom Valenta for manning the T-shirt stand, and John Bruzus, Lee Denlinger and Don MacKenzie for being our greeters.

Next we had our monthly Cabinet meeting with wonderful reports from PDG Dwight Perry regarding the History of the District; AG Larry Barr brought us up to date on what's going on in Area 6; and Susan Dupree, accompanied by her team, told us of the activities involved in the delivery of medical equipment to the people of Afghanistan. Susan's report was well done with pictures of the people, and the equipment which will now make life easier for the people of this troubled land. Susan, my compliments to you and your team for a job well done!

This is the month to honor those who help our clubs in an organizational sense. If Community Service, International Service, Vocational Service, and New Generations are the heart of Rotary, then Club Service is the backbone of Rotary.

Those who give of themselves in this area of service rarely get the accolades that those of the other Avenues receive, however, without their efforts Rotary could not exist.

Our clubs secretaries, treasurers, public relations/image chairs, program chairs, membership committees, we care chairs, trainers, youth protection officers, and of course our clubs presidents, carry the burden of the day to day operations of the clubs. We owe these people a real debt of gratitude, therefore, I would ask that clubs honor those who give so much and receive so little with special recognition this month.

On Saturday, January 8, we conducted our Mid-Year meeting with club Presidents, AG's, Presidents Elect, and other district leaders. The "State of the District" was discussed and I am proud to say that the clubs are doing magnificent work in bringing the gift of Rotary to their communities, both local and international. We are currently at 75% of our Foundation Goal. Membership is up .8%, and the clubs are poised to make the next six months very productive.

The next major district event is the District Assembly. Although the District Assembly is designed to train incoming officers, it is open to all Rotarians. It is important that all Rotarians have a solid foundation of our organization, as the more people know the better we will retain their membership.

## Un-Sung Hero Awards

Who is an Un-Sung Hero? President Ray asked for some candidates from our district for recognition in New Orleans at the Convention. (This has been done). Governor Roger got to thinking that wouldn't it be great to have this award offered in our own District based upon the recommendation of Club Presidents.

The definition of the award is someone who has consistently, over a long period of time, given of themselves in the spirit of Service Above Self, without receiving or asking for recognition. Extra consideration would go to individuals who used their vocation in their service to mankind. If you have such an individual whom you would like the Governor to present such an award, he would be happy to do so. Please provide a brief description of their service to Governor Roger.

### SAN LEANDRO ROTARIAN BONNIE BEST RECIPIENT OF THE "UN-SUNG HERO" AWARD

Bonnie Best of San Leandro Rotary Club was the proud recipient of the Un-sung Hero Award. District Governor Roger Hassler & President Pat Poddatoori surprised Bonnie on December 15, 2010 by presenting her the "Un-sung Hero" Award at San Leandro's Rotary Club meeting in the presence of 75 Rotarians and guests.

Bonnie received this award in appreciation for her dedication to the Rotary principal of "Service above Self", and for her use of her vocation to create goodwill, peace & understanding throughout the world.

### DR. KEITH MCKENZIE RECOGNIZED FOR VOLUNTEERISM RECEIVES MULTIPLE AWARDS FROM CITY OF SANTA CRUZ AND ROTARY

Keith McKenzie, MD, a retired Santa Cruz ophthalmologist, was recognized for 25 years of service in organizing and supporting over 25 volunteer eye surgery trips to Guatemala.

Dr. McKenzie began his travel to Guatemala in 1988, providing free medical and surgical eye care to indigenous populations. Since 1996, with the Santa Cruz Rotary he organized and staffed groups traveling to the Clinica Maxena, a mission medical clinic in Santo Tomas la Union. The Clinica serves a population of 100,000 in a rural setting with little access to eye care.

Over the course of 15 years the Santa Cruz Rotary Eye Care Project has provided examinations and medical eye care to over 5,000 patients, and nearly 100 operations have been performed.

The Recognition Event was held at the Pasatiempo Country Club on Saturday, December 4. Members of the Santa Cruz Rotary and volunteers from previous trips attended. Mike Rotkin, the Mayor of Santa Cruz, proclaimed December 4 as Keith McKenzie Day. Rotary presented Dr. McKenzie with an award, and the Rotary District Governor, Roger Hassler, presented the un-sung award from the District.

## Future Vision Global Grants Update

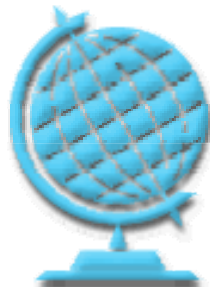

Rotarians in District 5170 are busy using the resources of The Rotary Foundation to plan and implement meaningful humanitarian and educational projects around the world. The Future Vision procedures have made the process of grant funding, primarily done on-line, more efficient and timely. Our Rotary Foundation funds are, indeed, “doing good in the world.”

Many of you are aware that District 5170 is one of one hundred Future Vision Pilot Districts in the Rotary world. While there are many significant changes in the operation of The Rotary Foundation, much is also done in the same way as previously. One of the goals of The Rotary Foundation in terms of grant activity is to have clubs engaged in larger projects with more sustainable outcomes. In our district, where each club is allocated District Designated Funds based on the previous two years and seven months of annual giving to The Foundation, many clubs have partnered together to achieve those larger outcomes.

### Projects with Approved Applications or which have been funded:\*

- **Project Totals to date (Proposal and Application): \$576,318**  
**Total Amount of District 5170 DDF used in these projects: \$129,182**

We are aware that other significant Global Grant projects are being planned by several of our clubs. There is even a multi-club project underway with DDF funds being donated by a district in Brazil for a project right here in our own district! We anticipate that these projects will be submitted before the February 2011 deadline.

In a future article, we will tell you about our wonderful District Grants program and include a listing of all the open District Grants for 2010-2011.

- Important Grant Dates: December 31 – Final Reports for 2009-2010 District Grants are due**  
**January 31 – Applications for 2010-2011 District Grants are due**  
**February 28 - Proposals for Global Grant projects must be submitted to TRF**

## Richard D. King Annual Youth Speech Contest

Each year many of the clubs in District 5170 work with schools to find participants for the speech contest. This year is no different! For more details on how to conduct a Speech Contest and for forms, visit the District website and look under New Generations.

This year's theme is **Building Communities, Bridging Continents**. The 2009-10 Rotary Year theme, "Building Communities, Bridging Continents", reflects, "Rotarians are a varied lot. We come from dozens of countries, speak hundreds of languages, and adhere to a wide spectrum of religious, political, and philosophical beliefs. If one strong common thread exists among our 1.2 million members, it is our willingness to Ensure Our Future. In addition to the theme, contestants must include references to the 4 way test. Of the things we think, say or do, 1. Is it the TRUTH? 2. Is it FAIR to all concerned? 3. Will it build GOODWILL and better FRIENDSHIPS? 4. Will it be BENEFICIAL to all concerned?"

**Save the date – April 6, 2011** for District 5170's Annual Richard King Speech Contest finals. If you have never witnessed a speech contest final, this is your opportunity to do so. All you need to do is register for the Cabinet meeting on the 6th of April by contacting Don MacKenzie at [dongomack@aol.com](mailto:dongomack@aol.com).

The District Competition will be held at the DoubleTree Hotel San Jose, San Jose, CA. At that time, we will host the four finalists from the two Regional Competitions. These speakers will be evaluated by five judges, and the finalists will be awarded a First prize of \$1,000.00, Second prize of \$500.00 and Third/Fourth prizes of \$250.00 each.

### SPEECH CONTEST SCHEDULE OF EVENTS

## General Secretary Announced

Last year current General Secretary, Ed Futa, announced his retirement after 10 years in the position. He will return to his home in Hawaii and his home Rotary club will see him on a more regular basis.

Rotary International has named John Hewko, an attorney with extensive international experience in both the private and public sectors, to be the global humanitarian service organization's new top executive, serving as its general secretary. Rotary's Secretariat supports the activities of more than 33,000 Rotary clubs in over 200 countries and geographical areas, with a combined membership of 1.2 million men and women. The Rotary Foundation annually distributes over \$180 million to fund a variety of educational programs and humanitarian projects throughout the world.

Hewko is a former partner with the international law firm of Baker & McKenzie and was vice president at the Millennium Challenge Corporation, a U.S. government agency established in 2004 to deliver U.S. foreign assistance to the world's poorest countries. He begins work on 1 July at a key moment in Rotary's 106-year history.

"I am delighted to be joining Rotary and honored to be able to participate in the organization's mission to promote world peace and understanding by addressing some of the root causes of conflict, such as poverty, hunger, disease, illiteracy, and the global water and sanitation crisis," Hewko said. "Rotary's global membership of 1.2 million business and professional leaders -- supported by a dedicated, professional staff -- is a powerful resource that is making a meaningful global and grassroots contribution to that goal. Just look at what Rotary already has accomplished in the area of polio prevention and eradication."

As RI's general secretary, Hewko will play a lead role in the implementation of the organization's newly revised strategic plan that envisions Rotary's expanded engagement in areas such as maternal and child health, water and sanitation, disease prevention and treatment, basic education and literacy, economic and community development, and peace studies and conflict prevention/resolution. His tenure could also see the successful conclusion of Rotary's principal humanitarian initiative: its 25-year campaign to eradicate the crippling disease polio, a goal that is more than 99 percent complete.

**CHILD AIDS  
PREVENTION**

**Save the Date:**

**Tuesday, February 8,  
2011**

*Fundraiser for Child  
AIDS Prevention in  
Liberia*

The Los Altos Rotary AIDS Project presents ***An Evening With Jose Antonio Vargas***, a Pulitzer Prize winning journalist and senior contributing editor with the Huffington Post, who is the writer and co-producer of the documentary film, "The Other City," the story of HIV/AIDS in Washington, D.C. that premiered at the New York Tribeca Film Festival in 2010.

This event marks the first Silicon Valley screening of "The Other City" and will be followed by a question and answer session with Vargas, who most recently profiled Facebook co-founder Mark Zuckerberg for *The New Yorker*. A local success story, Vargas was mentored through the Los Altos Rotary Partners for New Generations program while attending Mountain View High School and is a graduate of San Francisco State University.

Proceeds from the event will help provide life-saving drugs, educational counseling and support for clinics in Liberia that serve women and children. The Los Altos Rotary AIDS Project, in partnership with Global Strategies for HIV Prevention and the Rotary Club of Sinkor, will kick-off its Child AIDS Prevention project with a trip to three Liberian clinics in February, thanks to donations from eight local Rotary Clubs and a Global Grant from The Rotary Foundation.

Please join us for an exciting evening and help save lives in Liberia.

***An Evening with Jose Antonio Vargas*** will be held February 8, 2011 at the Los Altos High School Eagle Theatre, 201 Almond Avenue, Los Altos from 7-9:30 p.m. To reserve tickets visit [www.rotaryaidsproject.org](http://www.rotaryaidsproject.org)
